

HR BREAKFAST CLUBS 2019/2020 PROGRAMME

Our Breakfast Clubs' event programme is set out below to enable you to get key dates in your diary and help you plan ahead.

You'll see that our Clubs are categorised as 'Rising Stars', 'Masterclass' and 'Update' events to suit different needs.

Our programme for Rising Stars is aimed specifically at supporting the learning, development and career progression of rising stars in HR. These Clubs are designed to provide training, through interactive workshops, on basic cornerstone legal concepts, offer practical insight and host a range of inspiring guest speakers. They also provide an opportunity for rising stars to build a network with peers.

Our Masterclasses and Updates provide more in depth seminars on topical issues, with a focus on reviewing developments in employment law and HR.

Whether you are a rising star, seasoned professional or experienced manager, we look forward to welcoming you, over breakfast, to our Clubs, on a complementary basis, to learn, meet and network with peers and the Clarion Employment Team in a relaxed environment.

Please register your interest in any of our Clubs by sending an email to laura.courbet@clarionsolicitors.com. We'll ensure that your place at whichever of the below events you choose is secured and will send you full details of the event nearer the time.
